

SAVE THE DATE!

2nd Annual Usher Syndrome family conference

July 9-10, 2010

Seattle, Washington

Plan to bring the entire family for a fun and informative weekend featuring:

- Reception on Friday night
- Full day conference on Saturday at Seattle Children's Hospital, with exciting speakers in the fields of retinal disease, hearing loss, and vestibular imbalance
- Fun on-site activities for the kids
- Saturday night family BBQ

Don't miss this opportunity to meet other great families and bring your questions to the experts!
